# The Litigation

- 2.01 The original Complaint in the Lawsuit was filed against Defendants on June 5,2015, and an Amended Complaint was filed against Defendants on August 25, 2015.
- 2.02 Defendants have denied and continue to deny all of the substantive and class allegations of the Complaints and all Amended Complaints in the Lawsuit.
- 2.03 The Lawsuit has been vigorously prosecuted by the Plaintiffs and Class Counsel. The Lawsuit has been vigorously defended by Defendants. Thousands of documents have been produced and examined, and the Parties to the Lawsuit anticipate that, if the claims are not settled, the continued prosecution of the Lawsuit would require similar additional discovery efforts and thousands of hours of attorneys' time for discovery, trial preparation, trial, and appellate proceedings.

2.04 The Parties to the Lawsuit engaged in serious settlement negotiations that included an exchange of thousands of pages of time records and a settlement conference with Magistrate Judge Philip M. Frazier.

2.05 The Lawsuit has not yet been certified as a class action. The Lawsuit has already been conditionally certified as a collective action with respect to the FLSA claims. By this Settlement Agreement and subject to the approval of the Court, the Parties agree that a Class may be certified pursuant to Federal Rules of Civil Procedures 23(a) and 23(b)(3) solely for purposes of effectuating this Settlement related to claims under the IMWL, MMWL, KMWMHL, OMWA, and common law unjust enrichment claims, and that a collective action may be finally certified pursuant to 29 U.S.C. § 216(b) solely for purposes of effectuating this settlement related to claims under the FLSA. Defendants expressly reserve the right to oppose certification should the Settlement not become final.

# **Article III**

#### **Benefits of the Settlement**

3.01 Class counsel has concluded, after substantial investigation, discovery of the facts, settlement negotiations that included a mediation, and careful consideration of the claims and defenses being asserted herein and the substantial costs, delays and uncertainties associated with proceeding, that it is in the best interest of the Settling Parties to enter into this Settlement Agreement in order to avoid the uncertainties of complex litigation, to assure a benefit to Class Members and Collective Members, and to minimize the need for significant additional litigation. Class Counsel believes that, in consideration of all the circumstances and after considerable arm's-length negotiations, aided by Judge Frazier, the proposed settlement embodied in this Settlement Agreement is fair, reasonable, and adequate and confers substantial benefits on, and is

in the best interests of the Class and Collective and each of the Class Members and the Collective Members.

3.02 Defendants have denied and continue to deny any liability with respect to any of the facts or claims raised against them and have interposed various affirmative defenses, all of which they continue to believe have legal merit. Nonetheless, Defendants have concluded after substantial investigation, settlement negotiations, and careful consideration of the circumstances of the claims and defenses being asserted herein and the substantial costs associated with proceeding, that it is in its best interests to enter into this Settlement Agreement in order to avoid further expense, inconvenience, the burden of this protracted litigation, the risks inherent in uncertain complex litigation, and to avoid the expense and risks inherent in any possible future litigation amongst the Parties raising similar claims.

#### **Article IV**

# **Terms of Stipulation and Agreement of Settlement**

NOW, THEREFORE, IT IS AGREED by and among the Parties to the Lawsuit, through their respective counsel, that, subject to the final approval of the Court, all of Plaintiffs, the Class Members and Collective Members' claims in the Lawsuit, including the Class and Collective claims, shall be finally and fully settled and compromised and shall be dismissed by agreement with prejudice, and without costs, expenses or an award of attorneys' fees (except as set forth in Article X herein), within ten (10) days after the Settlement Agreement receives final approval.

#### **Article V**

# **Retention of Claims Administrator and Payment of Moneys**

5.01 Subject to approval by the Court, the Parties to the Lawsuit agree to appoint a Claims Administrator for the purpose of performing all acts required herein of the Claims

Administrator. Prior to the appointment of any person or entity as Claims Administrator, said person or entity must agree in writing to perform all acts required herein of the Claims Administrator and to subject himself, herself or itself to the jurisdiction of the Court for purposes of enforcement of this Settlement Agreement and of the agreement to perform the acts required by this Settlement Agreement.

5.02 This Settlement Agreement provides for a claim process requiring the Claims Administrator to make settlement payments to the Class Members and Collective Members according to the formula discussed below for each timely and valid claim submitted. The maximum total payment, including all attorneys' fees and costs, incentive payments, back pay, liquidated damages, and interest, under the Settlement Agreement is Three Hundred Fifty Thousand Dollars (\$350,000.00) (hereinafter the "Settlement Fund"). Money from the Settlement Fund is to be distributed as follows:

- a. Up to \$105,000 in attorneys' fees and up to \$4,038.77 in costs and expenses to Class Counsel, pending the Court's approval of their fee petition, as provided in Article X.
- b. A total of \$6,500.00 in "Service Awards" to be paid to the Plaintiffs in the following manner: (i) \$5,000.00 to Jania Volz; (ii) \$500.00 to Catrina Milo; (iii) \$500.00 to Kristin Boyle; and (iv) \$500.00 to Denise Klincik. These Services Awards are in addition to the Claims Payments to which the Plaintiffs are entitled pursuant to the formula referenced forth below in section 5.02(c) of this Settlement Agreement. The Plaintiffs are responsible for correctly characterizing the Service Awards for tax purposes and for paying any taxes due on the amounts received.

"Claims Payments" will also be made to those Class Members who do not c. opt-out of the Class and Collective Members who opted into the Collective. Claims Payments to the Class Members who do not opt-out will be paid out of the portion of the Settlement Fund remaining after deducting the payments to be made pursuant to § 5.02(a) above (hereinafter the "Net Settlement Amount"). Claims Payments will be made by the Claims Administrator from the Net Settlement Amount pursuant to the formula set forth in the document attached hereto as Exhibit A. Exhibit B shall provide the full estimated amount (before withholding taxes) to be paid as Claims Payments, based on the formula set forth in said exhibit, to each Class Member assuming that the Class Member does not opt out of this Settlement Agreement. Collective Members will be paid based on the formula set forth in Exhibit B and be bound by the Settlement Agreement regardless of whether they opt out of the Class Action. If an individual is both a Class Member and a Collective Member, the individual will only be paid once based on the formula set forth in Exhibit A. The Claims Payments will be allocated in the following manner to be paid by the Claims Administrator in two (2) separate checks: (1) 50% as a wage distribution; and (2) 50% as a liquidated damages distribution. Thus, the Claims Payments will be treated as one-half back pay for which the applicable tax withholdings will be deducted from the earnings. All Class Members and Collective Members who timely cash Claims Payment checks distributed to them will receive an IRS Form W-2 with respect to this portion of the Claims Payments and the Claims Administrator shall compute and deduct all appropriate withholdings from such checks. Each Class Member and Collective Member who timely cashes a Claims Payment check distributed to them will also receive an IRS Form 1099 if such a form is required to be distributed by law. Such W-2 and

Form 1099's shall be given to the Class Members and Collective Members by the Claims Administrator and shall be issued for the year in which such payments are made by the Claims Administrator. The Class Members and Collective Members will be responsible for correctly characterizing the Claims Payments for tax purposes and for paying any taxes imposed upon them by virtue of the amounts received by them. Class Members and Collective Members shall not be responsible for any employer side taxes as provided in 5.02(e)(5).

- d. Not later than seven (7) days after mailing the checks, the Claims Administrator shall provide Defendants and Class Counsel with a listing of all checks representing wage distribution to Class Members and Collective Members and all employer side taxes due on such distributions ("Tax Listing"). Not later than seven (7) days after receipt of the Tax Listing, Defendants shall remit to the Claims Administrator funds sufficient to pay all employer side taxes. The Claims Administrator shall prepare and file all required tax documents with all taxing authorities including payment of all taxes withheld from the Class Members and Collective Members and all employer side taxes in a timely manner.
- e. It is the intent of this Settlement that the Claims Payments provided for in this Settlement Agreement are the only payments to be made to the Class Members and Collective Members in consideration for the Release of Claims. After all payments required by subsections (a) through (c) of this § 5.02 are distributed and 90 days has transpired since issuance of the Claims Payments has expired, the remainder of the Settlement Fund, including the amounts of any unclaimed Claim Payments or uncashed Claims Payment checks, shall revert to and be paid to Defendants. The Settling Parties

further agree, to the extent permitted by law, that state laws regarding collection of unpaid wages and unclaimed property shall not be applicable.

- f. Defendants shall have no obligation to pay any person or entity except as to: (1) Claims Payments for the Collective Members and Class Members who do not opt out of the Class; (2) the attorneys' fees, costs, and expenses approved by the Court; (3) all costs of claims administration; and (4) the employer portion of the withholdings attributable to the portion payable to Class Members and Collective Members as wages.
- 5.03 These payments as set forth in § 5.02(a) through § 5.02(c) shall be collectively referenced herein as the "Settlement Payments."

# **Article X**

# **Class Counsel's Fees and Reimbursement of Expenses**

10.01 Class Counsel agrees that the aggregate amount awarded to Class Counsel will not exceed \$105,000.00 in attorneys' fees and will not exceed \$4,038.77 in costs and expenses. Defendants will not oppose this petition. Any award of attorneys' fees, costs and expenses shall be part of the \$350,000.00 Settlement Fund and not a separate payment in addition to this amount.

10.02 Within thirty (30) days of the Effective Date of this Settlement Agreement, the Claims Administrator shall pay the fee awards approved by the Court in full satisfaction of the Plaintiffs' and the Class and Collective claims for attorneys' fees, expenses, and costs incurred in connection with the Lawsuit. The check shall be made payable to Class Counsel in the amounts awarded by the Court. Class Counsel agrees to provide Defendants with a completed W-9 form within thirty (30) days of the Preliminary Approval Order.

10.03 Should the Court for whatever reason reduce the amount of attorneys' fees and/or costs and expenses to what it believes Class Counsel is entitled, this Settlement Agreement will remain in effect and will not be deemed null and void.

#### Article XI

# **Effective Date and Termination of Settlement Agreement**

- 11.01 Subject to the provisions of § 11.02 below, the Effective Date of the Settlement Agreement shall be the first date by which all of the following events and conditions shall have occurred:
  - a. Execution of this Settlement Agreement by all signatories hereto;
  - b. The Court has preliminarily approved this Settlement Agreement, certified the Class action and Collective action, and approved the method for providing the Notice of Settlement and content of the Notice of Settlement by entry of the Preliminary Approval Order;
  - c. The Court has entered judgment in the Lawsuit pursuant to Fed. R. Civ. P. 54, described in Article VII; and
  - d. The Judgment in the Lawsuit have become Final as defined in § 1.10. In this regard, it is the intention of the Parties to the Lawsuit that this Settlement Agreement shall not become effective until the Court's Judgment approving this Settlement Agreement is completely final, and there is no further recourse by an appellant or objector who seeks to contest this Settlement Agreement.
- 11.02 If any of the conditions specified in § 11.01 herein are not met, then the Settlement Agreement shall be cancelled and terminated unless otherwise mutually agreed to in writing by the Parties to the Lawsuit.

11.03 If this Settlement Agreement is not approved by the Court, or if the Effective Date

does not occur, then this Settlement Agreement shall be canceled and terminated and shall not be

used in the Lawsuit or in any other proceeding or for any other purpose, and any judgments or

orders entered by the Court in accordance with the terms of this Settlement Agreement shall be

treated as vacated *nunc pro tunc*. The Settling Parties shall revert to their respective positions as

though this Settlement Agreement had never been executed.

11.04 Defendants do not consent to certification of the class action or final certification

of the collective action for any purpose other than to effectuate the settlement of the Lawsuit. If

this Settlement Agreement is terminated pursuant to its terms or the Effective Date for any

reason does not occur, the Orders certifying the Class action and Collective action and all

preliminary or final findings regarding the Court's certification orders shall be automatically

vacated upon notice to the Court of the termination of the Settlement Agreement or the failure of

the Effective Date to occur, and the Lawsuit shall proceed as though the Class had never been

certified and Collective had never been finally certified and such findings had never been made.

12.04 The prevailing party in any dispute to enforce the terms of this Settlement Agreement shall be entitled to their reasonable attorneys' fees and costs from the non-prevailing party.

12.05 Defendants will provide the required notice of the settlement to the appropriate State and Federal officials as required under the Class Action Fairness Act ("CAFA"), 28 U.S.C. § 1715. The CAFA notice will be sent no more than ten (10) days after the motion for preliminary approval is filed with the Court.

12.06 This Settlement Agreement shall be binding upon and inure to the benefit of the Settling Parties and their respective heirs, trustees, executors, administrators, successors, and assigns.

12.07 If any individual or entity objects to or appeals the approval of this Settlement Agreement, the Parties to the Lawsuit shall support and defend the propriety of and approval of this Settlement Agreement.

12.08 If the Settlement Agreement is not preliminarily or finally approved, whether by reason of an order of the United States District Court for the Southern District of Illinois or of

any appellate court or for any other reason, then the Releases contained herein shall be null and void and any and all further undertakings of the Parties under this Settlement Agreement shall be excused.

12.09 Neither the making of this Settlement Agreement nor anything stated in this Settlement Agreement shall be construed as an admission by the Defendants of any fact alleged by the Plaintiffs or the Class Members or the Collective Members or of the merits of any claim of liability, Defendants expressly denying all such facts and claims of liability. Neither the making of this Settlement Agreement nor anything stated in this Settlement Agreement shall be construed or used as an admission by Plaintiffs or any of the Class Members or any of the Collective Members of any fact alleged by Defendants in the Lawsuit or of the merits of any defense, Plaintiffs and the Class Members and the Collective Members expressly denying all such facts and claims of defense. The Settlement Agreement shall not constitute evidence of any violation of law by Defendants. Neither this Settlement Agreement nor any statements made or documents exchanged solely for mediation and settlement of the Lawsuit, nor any documents filed by the Settling Parties in connection with this settlement shall be admissible or offered into evidence in the Lawsuit or any other action for any purpose other than for purposes of this settlement or as agreed by the Settling Parties.

12.10 The Settling Parties acknowledge that they are entering into this Settlement Agreement voluntarily and that it is his, her, its or their intent to consummate this Settlement Agreement and agree to cooperate to the extent necessary to effectuate and implement all terms and conditions of this Settlement Agreement and exercise best efforts to establish the foregoing terms and conditions of the Settlement Agreement. The Settling Parties agree that the terms and conditions of this Settlement Agreement are the result of substantial negotiations and that this

Settlement Agreement shall not be construed in favor of or against any party by reason of the extent to which any party or his, her, or its counsel participated in the drafting of this Settlement Agreement.

- 12.11 Upon execution of this Settlement Agreement, all discovery and other proceedings in the Lawsuit shall be stayed until further order of the Court, except such proceedings as may be necessary to implement the settlement or comply with or effectuate the terms of this Settlement Agreement.
- 12.12 This Settlement Agreement (along with the Exhibits thereto) constitutes the entire agreement among the Settling Parties and supersedes all prior and contemporaneous agreements or understandings between the Settling Parties with respect to the subject matter hereof, and any and all prior correspondence, conversations or memoranda between the Settling Parties are merged herein and are replaced hereby. This Settlement Agreement may not be altered or amended except by a written instrument that has been approved by an order of the United States District Court for the Southern District of Illinois.
- 12.13 The Settling Parties hereto submit to the jurisdiction of the Court for purposes of implementing and enforcing the settlement embodied in this Settlement Agreement. The terms of this Settlement Agreement are and shall be binding upon and inure to the benefit of each of the Settling Parties. No provision of this Settlement Agreement shall provide any rights to, or be enforceable by, any person or entity that is not one of the Settling Parties.
- 12.14 If any part, sub-part, section, paragraph, sub-paragraph, sentence, clause or term of this Settlement Agreement or the application of same to any person or circumstance is, for any reason, judged by any court to be unenforceable or contrary to law, or if the enactment or amendment of any federal or state statute, order, ordinance or regulation renders any provision of

this Settlement Agreement unenforceable or contrary to law, such judgment, enactment or amendment shall not affect, impair or invalidate the remainder of this Settlement Agreement, provided that such portion of this Settlement Agreement that has or may become unenforceable is not a material part or the essence of any party's bargain hereunder.

- 12.15 The promises, agreements, obligations, undertakings, representations, and warranties set out herein shall survive the closing of this Settlement Agreement, the releases contained herein, and the judgment of dismissal to be entered.
- 12.16 The Settling Parties agree that any claim that Defendants have breached this Agreement will not renew or reinstate the underlying claims released by this Agreement.
- 12.17 This Settlement Agreement and the Exhibits hereto, and the rights and obligations of the Settling Parties, shall be construed and enforced in accordance with the laws of the State of Illinois as to substance and procedure, including all questions of conflicts of laws.
- 12.18 The undersigned counsel and individuals are fully authorized to execute and enter into the terms and conditions of this Settlement Agreement on behalf of their respective clients. It is agreed that because the number of Class Members and Collective Members is numerous, it is impossible or impractical to have each Class Member and Collective Members execute this Settlement Agreement. The Notice of Settlement will advise all Class Members and Collective Members of the binding nature of the release, and the release shall have the same force and effect as if this Settlement Agreement were executed by each Collective Member and each Class Member who does not submit a timely, valid Request for Exclusion Form.
- 12.19 This Settlement Agreement may be signed in single or separate counterparts, each of which shall constitute an original. Fax or electronically transmitted signatures will be binding on all of the Parties hereto.

# PLAINTIFFS' <u>Second Amended</u> Collective and Class Action Complaint

Plaintiffs Jania Volz, <u>Catrina Milo, Kristin Boyle, and Denise Klincik, ("Plaintiffs")</u>, by <u>their</u> undersigned attorney, on <u>their</u> own behalf and on behalf of all others similarly situated, upon personal knowledge as to <u>themselves</u> and <u>their</u> own acts, and upon information and belief as to all other matters, bring this putative collective and class action against all named Defendants Tricorp Management Company, Tricorp Food Services, Inc., Tricorp Enterprises, Ltd., Tricorp, Inc., Tricorp Holding, LLC, Primrose Restaurant Properties, L.P., Fairview Heights Bistro, LLC, Stephen Bell, Bradly Bax, Bistate Bistro Associates, L.P., BB Holding, LLC, and Doe Defendants 1-10,

(hereinafter collectively referred to as "Defendants") as, in reality, Defendants form a single enterprise that acts as the corporate alter egos of Mr. Bell and Mr. Bax, and alleges as follows:

#### NATURE OF THE CASE

- 1. Through this action, Plaintiffs seek to recover minimum wages for themselves and other similarly-situated co-workers servers, bussers, runners, bartenders, barbacks, hosts, and other "tipped workers" who work or have worked for Defendants at, at least, T.G.I. Friday's franchised restaurants owned and/or operated by Defendants in Illinois, Missouri, Arkansas, Kansas, and Oklahoma.
- 2. Defendants, a group of related corporate entities and individuals with interests within those corporate entities, manage various T.G.I Friday's franchised restaurants which employ approximately 900 employees. Many of these employees work as "tipped workers."
  - 3. Defendants are among the largest T.G.I. Friday's franchisers in the United States.
- 4. Defendants have maintained control, oversight, and direction over Plaintiffs and similarly-situated employees, including the ability to hire, fire, and discipline them.
- 5. At all times relevant, Defendants have paid Plaintiffs at a "tipped" minimum wage rate less than the full minimum wage rate for non-tipped workers.
- 6. Defendants, however, have not satisfied the strict requirements under the Fair Labor Standards Act ("FLSA"), 29 U.S.C. § 201, et seq., or the Illinois Minimum Wage Law ("IMWL"), 820 Ill. Comp. Stat. 105/1, et seq., which would allow them to pay this reduced minimum wage (i.e., take a "tip credit").
- 7. Specifically, Defendants maintain a <u>uniform, company-wide</u> policy and practice whereby tipped workers are required to spend a substantial amount of time performing non-tip producing "side work" including, but not limited to, general cleaning of the restaurant, preparing

food in bulk for customers, cutting produce, refilling condiments, and stocking and replenishing the bar and service areas.

- 8. Defendants require tipped workers to perform side work at the start and end of every shift.
- 9. Defendants typically schedule tipped workers to work lunch, dinner, or a "swing" shift.
- 10. Regardless of the type of shift, Defendants require tipped workers to perform side work at the start and end of each shift.
- 11. Defendants require tipped workers to perform work before the restaurant is open or after the restaurant has closed and customers have left.
- 12. For instance, Defendants typically require tipped workers to (i) arrive at least an hour prior to the start of customer service Plaintiff Volz was required to arrive at 9:00AM but the restaurant did not open to customers until 11:00AM and (ii) stay at work approximately two hours after the restaurant closes.
  - 13. During these periods Defendants required tipped workers to perform side work.
- 14. As a result, tipped workers spend in excess of two hours and more than twenty percent of their work-time engaged in side-work duties.
- 15. Defendants pay tipped workers for this work at or below the reduced tip credit minimum wage rate.
- 16. The duties that Defendants require tipped workers to perform are duties that are customarily assigned to "back-of-the-house" employees in other restaurants, who typically receive at least the full minimum wage rate.
- 17. The side work that Defendants require tipped workers to perform includes, but is not limited to: (1) setting up the expeditor line in the back of the house (filling bins with ice, lettuce,

tomatoes, condiments, and sauces); (2) cutting lemons; (3) setting up dishes and glassware at the bar; (4) slicing garnishes for the bar; (5) lining baskets with wax paper for hamburgers; (6) assembling stacks of sliced tomatoes, pickles, and onions to be used to dress hamburgers; (7) breaking down sheets of premade desserts into smaller pieces; (8) stocking server stations with plates, glasses, and silverware; (9) rolling silverware; (10) sweeping and mopping floors; (11) stocking "to-go" containers; (12) dusting window blinds and windowsills; (13) cleaning and breaking down the expeditor's line, soup station, and salad area; (14) taking out garbage; (15) cleaning the customer bathroom; (16) brewing large batches of tea and coffee; and (17) breaking down and cleaning the tea/coffee and soda stations.

- 18. The side work described above is not specific to particular customers, tables, or sections, but is performed in mass quantities for the entire shift or for future shifts. Moreover, as these duties are not related to Plaintiffs and other similarly-situated workers' duties as tipped workers, Plaintiffs and those similarly situated are entitled to the full minimum wage.
- 19. Defendants' timekeeping system is capable of tracking multiple job codes for different work assignments.
- 20. Defendants kept Plaintiffs and other similarly-situated employees from tracking different work assignments and differentiating between tipped work and non-tipped work.
- 21. Defendants maintain a policy and practice whereby tipped workers are required to wear uniforms featuring the T.G.I. Friday's logo. Additionally, tipped workers must wear plain black pants, a plain black belt, and plain, all black slip-resistant shoes.
- 22. Defendants maintain a dress-code policy that requires tipped workers' uniforms to be "clean" and "wrinkle free."
- 23. Defendants do not supply tipped workers with a sufficient number of uniforms for multiple shifts.

- 24. Plaintiffs and other similarly-situated tipped employees are forced to by plain black: (1) pants, (2) belt(s), and (3) slip resistant shoes.
  - 25. Defendants do not launder tipped workers' uniforms.
- 26. Defendants require Plaintiffs and other tipped workers to pay for the cleaning and maintenance of their uniforms.
- 27. Defendants also maintain a policy and practice whereby they take unlawful deductions from tipped workers' wages.
- 28. Defendants require tipped workers to pay customers' bills when the customers walk out of the restaurant without paying for their meals, commonly referred to as a "customer walkout."
- 29. Additionally, Defendants require tipped workers to pay for any amount that a drawer/register is "short" defined by Defendants as more than \$3.00 different than the amount of money a drawer should contain, as calculated by Defendants.
- 30. As a result, Plaintiffs bring this collective and class action under the Fair Labor Standards Act ("FLSA"), 29 U.S.C. § 201 et seq., the Illinois Minimum Wage Law ("IMWL"), 820 Ill. Comp. Stat. 105/1, et seq., the Missouri Minimum Wage Law, the Oklahoma Minimum Wage Law, and the Kansas Minimum Wage Law, to recover unpaid minimum wages and other damages owed to herself and to all others similarly situated.

- 67. Venue is proper in this District pursuant to 28 U.S.C. § 1391 because Defendants transact business within this District and the actions giving rise to Plaintiff's injuries took place in this District, in St. Clair County, Illinois.

#### **FACTUAL ALLEGATIONS**

- 68. Consistent with their enterprise-wide policies and patterns or practices as described herein, Defendants harmed Plaintiff, individually, as follows.
- 69. Defendants did not pay <u>Plaintiffs</u> the proper minimum wages for all of the time that <u>they</u> was suffered or permitted to work each workweek.
- 70. Throughout the duration of her employment for Defendants, <u>Plaintiffs</u> received biweekly paychecks from Defendants that did not properly record or adequately compensate <u>them</u> for all the hours <u>they</u> worked.
- 71. Defendants utilized an online system for providing access to Plaintiffs' paycheck stubs.
- 72. After Plaintiffs' employment with Defendants ended, Defendants terminated Plaintiff's ability to access her paycheck stubs.
- 73. This action effectively prevents Plaintiffs from being able to pinpoint exact hours worked during specific weeks, and whether or not Plaintiff was properly paid minimum wage.
  - 74. Defendants paid Plaintiffs at the tipped minimum wage rate.
- 75. Plaintiffs were paid at the tipped minimum wage rate irrespective of what hours they worked, what job duties they performed, or their ability (or inability) to earn tips.

- 76. Defendants required <u>Plaintiffs</u> to spend at least 20% of their shift performing non-tipped work wholly unrelated to her duties as a tipped worker. These duties included, but are not limited to, running silverware through the dishwashing machine, sorting silverware, rolling silverware, breaking down side stands, breaking down and cleaning the soda machine and coffee machine, setting up burger bins, cutting lemons, sweeping, wiping down booths and chairs, stocking plates, napkins, cups, and to-go containers, cleaning doors and windows, and setting up and breaking down the expeditor line.
- 77. Although <u>Plaintiffs</u> should have been paid the full minimum wage, Defendants paid them an hourly rate that fell below the minimum wage to which she was entitled.
- 78. <u>Upon information and belief, Plaintiffs were paid less than minimum wage on a weekly basis, for multiple workweeks.</u>
- 79. During her employment, Ms. Volz generally worked the following scheduled hours unless she missed time for vacation, sick days, or holidays:
  - Tuesday through Friday, and Sunday 9:00 AM to 4:00 PM; or
  - Wednesday through Saturday 9:00 AM to 4:00 PM.
- 80. Defendants required Ms. Volz to wear a uniform consisting of a shirt with the T.G.I. Friday's logo, black slacks, black shoes, black belt, and black socks.
- 81. Defendants did not launder and/or maintain Ms. Volz's mandatory uniform, and failed to pay Ms. Volz the required weekly uniform-maintenance amount in addition to the required minimum wage.
- 82. Defendants maintained a policy that would deduct money from Ms. Volz paycheck if she had a customer walkout or a short register.

- 83. Defendants did not keep accurate records of wages or tips earned, hours worked by Ms. Volz, or job duties performed in various positions.<sup>5</sup>
- 84. Defendants failed to furnish Ms. Volz with accurate statements of wages, hours worked, rates paid, gross wages, and the claimed tip allowance.

#### COLLECTIVE AND CLASS ACTION ALLEGATIONS

85. Plaintiffs brings this action pursuant to 29 U.S.C. § 216(b) and Rules 23(a), 23(b)(2), and 23(b)(3) of the Federal Rules of Civil Procedure on behalf of themselves and a class and subclasses of persons similarly situated and seeking relief, and defined as:

#### The FLSA Collective Class

All current and former tipped workers employed by Defendants who were subjected to subminimum wage pay for non-tipped duties within three years preceding the date of filing this action through final judgment in this matter, and who elect to opt-in to this action;

#### The Illinois Subclass

All current and former tipped workers employed by Defendants who were subjected to subminimum wage pay for non-tipped duties within three years preceding the date of filing this action through final judgment in this matter

#### The Missouri Subclass

All current and former tipped workers employed by Defendants who were subjected to subminimum wage pay for non-tipped duties within three years preceding the date of filing this action through final judgment in this matter

#### The Oklahoma Subclass

All current and former tipped workers employed by Defendants who were subjected to subminimum wage pay for non-tipped duties within three years preceding the date of filing this action through final judgment in this matter

#### The Kansas Subclass

All current and former tipped workers employed by Defendants who were subjected to subminimum wage pay for non-tipped duties within three years preceding the date of filing this action through final judgment in this matter

The FLSA Collective Class and The Illinois, Missouri, Oklahoma, and Kansas Subclasses are collectively referred to herein as the "Class" or the "Subclasses" unless otherwise indicated. Plaintiffs reserve the right to add, amend, modify, or further define the Class or Subclass and/or to move for

<sup>&</sup>lt;sup>5</sup> Plaintiff does not bring any cause of action for Defendants' failure to keep accurate records.

certification of a class or classes defined differently than set forth above depending on the facts or law as discovered in this action.

- 86. Plaintiffs asserts claims against Defendants individually and on behalf of all Class and Subclass members for violations of the law as set forth below.
  - 87. The members of the Class and Subclasses are ascertainable from objective criteria.
- 88. If necessary to preserve the case as a collective or class action, the Court itself can redefine the Class or Subclasses, create additional subclasses, or both.
- 89. The requirements of Rule 23(a) are satisfied for the proposed classes because the members of the proposed classes are so numerous and geographically dispersed that joinder of all its members is impracticable.
- 90. Upon information and belief there are more than 50 Illinois, Oklahoma, and Kansas Subclass members.
  - 91. Therefore, the "numerosity" requirement of Rule 23(a)(1) is met.
- 92. The commonality requirement of Rule 23(a)(2) is satisfied because there are questions of law or fact common to Plaintiffs and the other members of the proposed Class and Subclasses that predominate over questions affecting only individual members of the Class and Subclasses. Among those common questions of law or fact are, but are not limited to, the following:
  - a. whether Defendants failed to pay adequate minimum wages to tipped employees in violations of the FLSA.
  - b. whether Defendants violated the IMWL and supporting regulations;
  - c. whether Defendants employed Plaintiff and the Illinois Subclass Members within the meaning of the IMWL;
  - d. whether Defendants paid Plaintiff and the Illinois Subclass Members at the proper minimum wage rate for all hours worked;
  - e. whether Defendants had a policy or practice of failing to provide adequate notice of their payment of a reduced minimum wage to Plaintiff and the Illinois Subclass Members;

- f. what notice is required in order for Defendants to take a tip credit under Illinois law;
- g. whether Defendants kept complete and accurate records of Plaintiff and other Class and Illinois Subclass members work time in accordance with Illinois Law;
- h. at what common rate, or rates subject to common methods of calculation, Defendants were required to pay Plaintiff and the Illinois Subclass Members for their work;
- i. whether Defendants have a policy of requiring tipped employees to engage in side work for two hours or more per day and/or for more than twenty percent of their time at work in violation of the IMWL;
- j. whether Defendants misappropriated tips from Plaintiff and the Illinois Subclass Members by demanding, handling, pooling, counting, distributing, accepting, and/or retaining tips and/or service charges paid by customers that were intended for Plaintiff and the Illinois Subclass Members, and which customers reasonably believed to be gratuities for Plaintiff and the Illinois Subclass Members;
- k. whether Defendants failed to pay Plaintiff and the Illinois Subclass Members for uniform-related expenses;
- l. whether Defendants made unlawful deductions from wages paid to Plaintiff and the Illinois Subclass Members; and
- m. whether Defendants failed to keep true and accurate time and pay records for all hours worked by Plaintiff and the Illinois Subclass Members, and other records required by the IMWL.
- 93. Plaintiffs' claims are typical of the claims of the proposed classes that they seek to represent, as described above, because they arise from the same course of conduct and policies and procedures of Defendants and are based on the same legal theories. Further, Plaintiffs have sustained legal injuries arising from Defendants' conduct, as alleged herein, and Plaintiffs seek the same forms of relief for themselves and the proposed classes. Therefore, the "typicality" requirement of Rule 23(a)(3) is satisfied.
- 94. Because their claims are typical of the proposed classes that Plaintiffs seek to represent, Plaintiffs has every incentive to pursue those claims vigorously. Plaintiffs have no conflicts with, or interests antagonistic to, the proposed classes. Plaintiffs, victims of Defendants' illegal pay practices and violations of federal and state minimum wage laws, are committed to the

vigorous prosecution of this action, which is reflected in their retention of competent counsel experienced in complex and challenging litigation.

- 95. Plaintiffs' counsel satisfies the requirements of Rule 23(g) to serve as counsel for the proposed class. Plaintiffs' counsel (a) has identified and thoroughly investigated the claims set forth herein, (b) has been in the past, and is currently, involved in complex wage-and-hour litigation; (c) has extensive knowledge of the applicable law; and (d) is committed to the vigorous prosecution of this action on behalf of the proposed class. Accordingly, Plaintiff satisfies the adequacy of representation requirements of Rule 23(a)(4).
- 96. In addition, this action meets the requirements of Rule 23(b)(2). Defendants have acted or refused to act on grounds generally applicable to Plaintiffs and other members of the proposed classes, making declaratory relief with respect to the proposed classes appropriate.
- 97. This action also meets the requirements of Rule 23(b)(3). Common questions of law or fact, including those set forth above, exist as to the claims of all members of the proposed classes and predominate over questions affecting only individual class members, and a class action is the superior method if not the only method for the fair and efficient adjudication of this controversy.
- 98. Class treatment will permit large numbers of similarly-situated tipped workers to prosecute their respective claims in a single forum simultaneously, efficiently, and without the unnecessary duplication of evidence, effort, and expense that numerous individual actions would produce. Further, by prosecuting this case as a collective or class action, class members, who may be current employees of Defendants', may receive just compensation for the work performed for Defendants without fear of retaliation for seeking just compensation.
- 99. Further, notice may be provided to members of the proposed class by including notice with each potential class members paycheck stub, first-class mail to addresses maintained for

each employee by Defendants, and through the alternative means, including electronic mail (email), social network posting (i.e, Facebook posts), and job-site postings.

- 100. Finally, the collective and class action is an appropriate method for the fair and efficient adjudication of this controversy given the following:
  - a. all putative class and subclass members are "similarly situated," in that, at least, Defendants utilized a company-wide policy and practice whereby tipped workers were paid the tipped minimum wage for all hours worked regardless of the duties performed or the ability to earn tips (*i.e.*, when there was no ability to earn tips because the business was not open, tipped workers were still paid only the tipped minimum wage). Plaintiff Volz saw the same policy and practice enforced at both the South Saint Louis County T.G.I. Friday's location where she received her training and at the Fairview Heights T.G.I. Friday's location where she worked after training, even though the locations had different managers;
  - b. common questions of fact and law predominate over any individual questions that may arise, such that the class action mechanism is superior to other available means for the fair and efficient adjudication of this dispute;
  - c. there will be enormous economies to the Court and the parties in litigating the common issues in a class action instead of individual claims;
  - d. class treatment is required for optimal resolution of this matter and for limiting the court-awarded reasonable legal expenses incurred by class members;
  - e. if the size of individual class members' claims are small, their aggregate volume, coupled with the economies of scale in litigating similar claims on a common basis, will enable this case to be litigated as a class action on a cost-effective basis, especially when compared with the cost of individual litigation; and
  - f. the trial of this case as a class action will be fair and efficient because the questions of law and fact which are common to the Plaintiffs, the FLSA Collective Class, and the Subclasses predominate over any individual issues that may arise.

### **CLAIMS FOR RELIEF**

# COUNT I – ON BEHALF OF THE FLSA COLLECTIVE CLASS FAILURE TO PAY MINIMUM WAGES UNDER THE FAIR LABOR STANDARDS ACT

- 101. Plaintiffs incorporate by reference the allegations set forth in paragraphs 1 through 100, as if fully set forth herein.
- 102. Defendants are subject to the minimum wage requirements of the FLSA, 29 U.S.C. § 201 *et seq.*, including, but not limited to, 29 U.S.C. §§ 203 and 206, because Defendants are an enterprise engaged in interstate commerce, with annual revenue exceeding \$500,000, and its employees, including tipped workers, are engaged in commerce.
- 103. Defendants were required to pay directly to Plaintiff and the FLSA Collective Class Members the applicable minimum wage rate for all hours worked.
- 104. Defendants failed to pay Plaintiffs and the FLSA Collective Class Members the minimum wages to which they are entitled.
- 105. Upon information and belief Plaintiffs were not paid, on a weekly basis, an amount equal or greater than her hours worked multiplied by the minimum wage.
- 106. Further, Defendants were not eligible to avail themselves of the federal tipped minimum wage rate under the FLSA, 29 U.S.C. §§ 201 et seq., because, upon information and belief, Defendants distributed a portion of their tips to workers who do not "customarily and regularly" receive tips.
- 107. Defendants also required Plaintiffs and the FLSA Collective Class Members to perform a substantial amount of non-tipped "back of the house" or "side work" in excess of twenty percent of their work time. During these periods, Defendants compensated Plaintiff and the FLSA Collective Members at the tipped minimum wage rate rather than at the full hourly minimum wage rate as required by 29 U.S.C. §§ 201 et seq.
- 108. Plaintiffs and all similarly-situated employees are victims of a uniform and employer-based compensation policy. This uniform policy, violative of the FLSA, has been applied, and upon information and belief, continues to be applied to all members of the FLSA Collective Class.

- 109. Defendants' unlawful conduct, as described in this Complaint, has been willful and intentional. Defendants were aware or should have been aware that the practices described in this Complaint were unlawful. Defendants have not made a good faith effort to comply with the FLSA with respect to the compensation of Plaintiffs and the FLSA Collective Members.
- 110. Because Defendants' violations of the FLSA have been willful, a three-year statute of limitations applies, along with periods of equitable tolling, pursuant to 29 U.S.C. §§ 201 et seq.
- 111. As a result of Defendants' willful violations of the FLSA, Plaintiff and the FLSA Collective Members have suffered damages by being denied minimum wages in accordance with the FLSA in amounts to be determined at trial, and are entitled to recovery of such amounts, liquidated damages, prejudgment interest, attorneys' fees, costs, and other compensation pursuant to 29 U.S.C. §§ 201 et seq.

## COUNT II – ON BEHALF OF THE ILLINOIS SUBCLASS VIOLATION OF THE ILLINOIS MINIMUM WAGE LAW

- 112. Plaintiff Volz incorporates by reference the allegations set forth above, as if fully set forth herein.
- 113. At all times relevant hereto, Plaintiff <u>Volz</u> and Illinois Subclass members have been entitled to the rights, protections, and benefits provided under the IMWL, 820 Ill. Comp. Stat. 105/1, et seq.
- 114. The IMWL regulates, among other things, the payment of minimum wage by employers to employees, subject to limited exemptions not applicable herein. *Id*.
- 115. During all times relevant to this action, Defendants were the "employer" of Plaintiff Volz, and Illinois Subclass members within the meaning of the IMWL. 820 Ill. Comp. Stat. 105/3(c).
- 116. During all times relevant to this action, Plaintiff Volz and Illinois Subclass members were Defendants' "employees" within the meaning of the IMWL. 820 Ill. Comp. Stat. 105/3(d).

- 117. Pursuant to the IMWL, during the relevant time period, employees were entitled to be compensated at a rate of \$8.25 per hour for non-tipped work, and \$4.95 per hour for tipped work, provided that the amount of tips earned equated to a rate of hourly pay of at least that otherwise required by the IMWL. 820 Ill. Comp. Stat. 105/4.
- 118. Defendants, pursuant to their policy and practice, violated the IMWL by refusing and failing to pay Plaintiff Volz and other similarly-situated employees adequate minimum wages for work performed for Defendants, including non-tipped side work.
- 119. Plaintiff <u>Volz</u> and Illinois Subclass members are victims of a uniform and employer-based compensation policy. Upon information and belief, this uniform policy, violative of the IMWL, has been applied, and continues to be applied to all Illinois Subclass members who are employed or were employed by Defendants.
- 120. Plaintiff <u>Volz</u> and all other similarly-situated employees are entitled to damages including payment of minimum wages for time spent working for Defendants for which Defendants did not pay adequate minimum wages, and additional damages of 2% of the amount of any such underpayments for each month following the date of payment during which such underpayments remain unpaid.
- 121. Further, Plaintiff <u>Volz</u> and other similarly-situated employees are entitled to an award of pre- and post-judgment interest at the applicable legal rate.
- 122. Finally, Defendants are liable for Plaintiff Volz's costs and attorney's fees incurred in this action.

# COUNT III – ON BEHALF OF THE ILLINOIS SUBCLASS BREACH OF CONTRACT DISMISSED BY ORDER OF THE COURT DATED JANUARY 13, 2016

123. Plaintiff incorporates by reference the allegations set forth in paragraphs 1 through 119, as if fully set forth herein.

- 124. During all times relevant to this action, Plaintiff and all others similarly situated entered into implied contracts with Defendants whereby such persons agreed to perform services as part of their employment by Defendants and Defendants agreed to compensate such persons for all such services based upon specified hourly rates of pay ("the Contracts").
- 125. Implied in the terms of the Contracts was the agreement that Plaintiff and those similarly situated would be paid in accordance with the FLSA and IMWL, and applicable regulations thereto.
- 126. Defendants breached and violated the Contracts by failing to pay Plaintiff and all others similarly situated for time worked or at the correct wage rate, depending on what jobs and tasks were being performed.
- 127. Prior to Defendants' breach and violation of the Contracts, Plaintiff and all others similarly situated performed their duties under the Contracts.
- 128. As a direct and proximate result of Defendants' violations and breaches of the Contracts, as stated above, Plaintiff and all others similarly situated have been damaged by, at least, not receiving the full wage due under the Contracts.
- 129. Plaintiff and all similarly-situated tipped employees are entitled to damages equal to all unpaid wages due within five (5) years preceding the filing of this Complaint plus periods of equitable tolling.

# COUNT IV – ON BEHALF OF THE ILLINOIS SUBCLASS UNJUST ENRICHMENT

- 130. Plaintiff Volz and Illinois Subclass Members incorporate by reference the allegations set forth above as if fully set forth herein.
- 131. Plaintiff Volz, Illinois Subclass Members, and all similarly-situated employees, by virtue of providing free labor, have conferred a benefit on Defendants.

- 132. Defendants have appreciated the benefit conferred by Plaintiff Volz, Illinois Subclass Members, and all those similarly situated, by being able to operate their business and provide their services without having to pay for certain integral portions of its labor force's work-time.
- 133. At least, Defendants use tipped workers making less than minimum wage to fill positions that should be staffed by full minimum wage workers.
- 134. Defendants have retained this benefit by failing to adequately compensate Plaintiff Volz and others similarly situated for their labor and for continuing to operate its business without compensating employees similarly situated to Plaintiff Volz.
- 135. Defendants have been able to retain this benefit by maintaining its current business model and its current pay scheme.
- 136. Further, the extra services "side work" and "back of the house" work were so different in nature from the Plaintiff Volz's and Illinois Subclass members' original job duties that there exists an implied promise to pay such different, distinct, and additional services.
- 137. Under the circumstances set forth above, Defendants retaining the benefit conferred, in the form of free and reduced rate labor, is unjust and inequitable.
- 138. Because Defendants obtained this benefit at the expense of Plaintiff Volz and Illinois Subclass members through illegal and inequitable conduct, Defendants are obligated to disgorge back to Plaintiff Volz and Illinois Subclass members all amounts by which Provider Plus has been unjustly enriched at their expense.

# COUNT V – ON BEHALF OF THE MISSOURI SUBCLASS VIOLATION OF MISSOURI MINIMUM WAGE LAW

- 141. The MMWL regulates, among other things, the payment of minimum wage by employers in Missouri, subject to limited exemptions not applicable herein. Mo. Rev. Stat. §§ 290.502 & 290.500(3) & (4).
- 142. <u>During all times relevant to this action, Defendants qualified as "employer" of Plaintiff Milo and Missouri Subclass members, within the meaning of the MMWL. Mo. Rev. Stat. § 2910.500(3).</u>
- 143. <u>During all times relevant to this action, Plaintiff Milo and Missouri Subclass</u> members were "employees" within the meaning of the MMWL. Mo. Rev. Stat. § 290.500(3).
- 144. The MMWL exempts certain categories of employees from Missouri's minimum wage and other obligations, none of which apply to Plaintiff Milo or Missouri Subclass members
- 145. <u>Defendants pay policies and practices, as described herein fail to adequately compensate Plaintiff Milo and Missouri Subclass Members.</u>
- 146. Plaintiff Milo and Missouri Subclass Members are entitled to damages including payment of minimum wages for time spent working, when in excess of 20% of their work-time was spent performing work related to their tipped positions, or any time spent performing work unrelated to their tipped positions.
- 147. Additionally, Plaintiff Milo and all other similarly-situated employees are entitled to liquidated damages, an award of pre- and post-judgment interest at the applicable legal rate.
  - 148. Finally, Defendants are liable for costs and attorney's fees incurred in this action.

- 156. <u>Plaintiff Milo, Missouri Subclass Members, and all those similarly situated have an</u> absence of remedies at law.
- 157. <u>Because Defendants obtained this benefit at the expense of Plaintiff Milo and Missouri Subclass Members through unlawful and inequitable conduct, Defendants are obligated to</u>

disgorge back to Plaintiff Milo and Missouri Subclass Members all amounts by which Defendants have been unjustly enriched at Plaintiff Kristin Milo's and Missouri Subclass Members' expense.
